## REPORT ON DR. NARESH K. MALHOTRA'S EVANGELISTIC EXERCISE IN FREETOWN SIERRA LEONE FROM 6TH MARCH, 1997 TO 18TH MARCH, 1997

Dr. Naresh came back to Sierra Leone on Wednesday 5th March 1997 to continue the work he had started during his previous visit to Freetown, Sierra Leone when the Lord gave him a tremendous victory of winning more than 30,000 (thirty thousand) souls into His Kingdom.

He has a passion for souls. This desire has brought to him God's most effective plan for winning souls in Sierra Leone - the schools. His soul winning methods were very effective. From the morning 6th March 1997 his first working day in Freetown he shared his vision with us (Rev. Paul Samura, Bro. Edmond and Pastor Albert Metzger) and kept back nothing from us in the form of bit-bits, useful personal experiences and tactics that would help build us as team members. We discovered that he was more interested in his "Heavenly Duties" than earthly activities. We recognized in him that orderliness and time consciousness that portrays the true nature of God. As we left his home, he demanded that we take him to the nearest school. The Holy Spirit led us to the services primary school where he made his first harvest of 1784 souls as he ministered from class to class, the simple gospel message of our Lord and Saviour Jesus Christ. In fact, by the end of that day 3194 pupils had believed and received the Lord Jesus Christ into their hearts. Dr. Naresh is an example of a lay person who knows his responsibility to the unbeliever and does it well. The Holy Spirit led him to cover 50 primary schools, 21 secondary schools, minister to colleges and other institutions, and also in crusade, in streets and beaches of Freetown. Winning a total of 44,889 souls into the kingdom.

During this exercise, the Holy Spirit directed him to stop a video show, suspend sports activities and examinations in schools, re-assemble classes for devotions, break through religious barriers as he ministered the gospel message of our soon coming King.

We had a wonderful message at the SLIM Church and members were challenged to overcome hinderances in their lives.

As the school, the teachers were encouraged to continue the good work they are doing. He made it quite clear that every member in Christ's Body has a significant role to play in prepagating the gospel - the teachers, he continued should consider their vocation as a full time ministry work. They are working directly under God and will never miss the promise land if they continue to obey Him.

Children do not come straight from heaven like angels. We are all born dead in trespasses and sins. They need to hear the gospel message because it is the only remedy for their sinful souls. The Lord will not appreciate anyone that turns them away from His presence. We must give them the opportunity to serve the Lord and

Dr. Naresh has made very good use of his time in Sierra Leone as we can see from the evangelism statistics.

We pray that he will join us soon. We shall continue to follow-up the good work that he has started.

On behalf of SLIM Church, ~~we~~ send our appreciation and thanks to the I.I.F. for your wonderful contributions that are making Sierra Leone a better place and bringing our people back to the Lord.
